Objective

My career objective is to secure a challenging role as a graphic designer and to contribute to a team of creative colleagues in an productive work environment. I would like to leverage my skills obtained at the American Academy of Art as well as the strong work experiences to date. I want to continue to improve and draw upon my technical skills, attention to detail in the visual arts and ability to work collaboratively with a team. I seek a challenging and dynamic environment where I can learn and apply my skills in graphic design projects.
